## DEPARTMENT OF WAR,

January 2, 1827.

SIR : In reply to a letter of the Chairman of the Military Committee of the House of Representatives, of the 8th of May last, transmitting a resolution of the House, of the 6th of March last, directing the Committee on Military Affairs to inquire and report the amount received, by each officer of the Army, since the year 1821, who has been brevetted and paid according to his brevet rank ; the time for which such pay was allowed," &c. I transmit herewith reports of the Second and Third Auditors, with documents appended to each, lettered A, B, C, respectively, and a report of the Adjutant General of the Army, lettered D, which furnish the Committee with the information required by the aforesaid resolution.

I have the honor to be,

Your obedient servant,

JAMES BARBOUR.

Hon. JOSEPH VANCE,

*Chairman of the Military Committee House of Reps.*

TREASURY DEPARTMENT,  
*Second Auditor's Office, 26th December, 1826.*

SIR : I had the honor of receiving from you, on the 8th of May last, the copy of a resolution of the House of Representatives of the United States, of the 6th of March preceding, which is in the following words:

“ *Resolved*, That the Committee on Military Affairs inquire and report the amount received by each officer of the Army, since the year 1821, who has been brevetted and paid according to his brevet rank, the time for which such pay was allowed—what station or separate post he commanded for which such payment was made—the name and lineal rank of the officer—what amount has been paid to any officer for extra services—to whom paid, and for what—where and how employed : Also, to inquire and report the number and grade of officers whose services can be dispensed with, without injury to the public service : And also, inquire and report the amount actually received for the last three years, by the General, Field, and Staff Officers of the Army, keeping each year separate, with the name and rank of each officer ; and the rule adopted by the Department for which brevet pay, or extra pay, has been allowed ;” accompanied by your directions that I would report such information, in relation to it, as this office can furnish.

Agreeably to your instructions, I now beg leave to hand you, herewith, three statements which contain all the information the files and records of this office afford on the subjects embraced in the resolution.

The statement marked A, exhibits the amount received by each officer of the Army, for the years 1822, 1823, 1824, and 1825, who has been brevetted, and paid according to his brevet rank, and the time for which such pay was allowed ; consisting of pay, subsistence, forage, and allowance for servants.

The statement marked B, exhibits the amount that has been paid to any officer for extra services, to whom paid, and for what, where, and how employed.

The statement marked C, shows the amount actually received for the years 1823, 1824, and 1825, by the General, Field, and Staff Officers of the Army, consisting of pay, subsistence, forage, and allowance for servants.

In extending to brevetted officers the compensation of their brevet rank, the Accounting Officers of the Treasury were governed by the act of Congress, of the 16th of April, 1818, the first section of which states, “ that the Officers of the Army who have brevet commissions, shall be entitled to, and receive, the pay and emoluments of their brevet rank when on duty, and having a command according to their brevet rank.” Their *station*, therefore, did not enter into the

consideration of the Accounting Officers, in making the allowance, but merely the extent of their command ; nor can an answer to that part of the resolution be furnished by this office.

The compensation allowed Officers for disbursements on account of Arsenals, and the payments for extra services to such Officers of the Army as were stationed at the Seat of Government, were predicated on the regulations of the War Department, of the 27th of February, and the 10th of August, 1818. In all other cases, the accounts received the special sanction of the Secretary of War.

I have the honor to be,

Very respectfully, Sir,

Your most obedient servant,

WM. LEE.

Hon. JAMES BARBOUR,

*Secretary of War.*

## TREASURY DEPARTMENT,

SECOND AUDITOR'S OFFICE, 26th December, 1826.

WM. LEE, *Second Auditor.*

## TREASURY DEPARTMENT,

*Third Auditor's Office, December 18, 1826.*

SIR: In pursuance to your directions of the 8th of May last, accompanied by a copy of the resolution of the House of Representatives, of the 6th March preceding, that I would report such information in relation to the subject of it as this Office can furnish, I have the honor to transmit to you, herewith, the following statements, to wit:

- A. Exhibiting the amount received by each officer who has been brevetted, and was settled with agreeably to his brevet rank, showing, also, his lineal and brevet rank, the separate station or post he commanded, and the time for which brevet allowances were made him.
- B. Exhibits the names and the amount received by officers of the Army for extra services, for what, where, and how employed.
- C. Exhibits the names and the amount actually received by the General, Field, and Staff Officers of the Army, in each of the years 1823, 1824, and 1825.

From the lateness of the period at which the report is made, it may be proper to state, in explanation, that, immediately after the receipt of your directions, an examination was begun, when it was soon found to be impracticable to furnish the statement during the then Session of Congress, for the reasons which I had the honor to state in my letter to you of the 10th May, and to which I beg leave to refer you. Since then the examination has continued, embracing, as therein suggested, the greater part of the settlements made in the Office for the period embraced in the resolution, this being indispensably necessary, from the circumstance that no special accounts are kept for either of the items called for, they being charged to the appropriation to which the service appertained, in common with all other expenditures belonging to the same.

I have the honor to be,

Very respectfully,

Your obedient servant,

PETER HAGNER, *Aud.*

Hon. JAMES BARBOUR,

*Secretary of War.*

J. B. HARRIS, Secretary of the State.

I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed amendment to the Constitution of the State of New York, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.
